ALAN LIGHT recording material for the record directly through the speaker system in the control room of the International Room for the best sound possible!

By special arrangement with the 1975 San Diego Comic Convention, which was held July 29 through August 3, we recorded all panels and speeches and took the best parts to put on this 12" LP record. You see the contents above! In addition to the regular convention events which we recorded, we taped a special interview with Superman's creator, JERRY SIEGEL (who did not talk at the convention and has never given a fan interview before!). This record is just like one you would buy in a record store and the total playing time is nearly one hour. It comes in a sleeve and full color attractive jacket with black and white photos of the convention. It's ready now at just \$5.98 postpaid. ORDER SOON! LIMITED PRESSING OF JUST 500 RECORDS!

## THE SEXY CINEMA

by Marv Strick  
For years the cinema has been accused in  
showing the level of permissiveness in society,  
and at times, has been a reflection of it. This  
book is a readable and serious survey of the  
changing eroticism in films from the 1890's and  
the films of Thomas Edison through to the cur-  
rent decade. Included are photographs from the  
films of D. W. Griffith, De Mille, and more con-  
temporary directors, together with photographs  
of the famous femme fatales and a commentary  
that compares their life of screen to their sex-  
ual lives before the camera. The book covers not  
only theatrical films but also specialized cartoon  
films, short subjects and non-theatrical experi-  
mental films.

Publisher's note tells of Winsor McCay, the re-

Nemo, McCay's movie The Adventure of a

of a Rabbit Friend. Who'd think melted cheese

Donny Colt, private eye, was dead... or so everybody thought. Only Police Commissioner  
Dante knew Donny was back as THE SPIRIT, smashing the underworld with one fist...  
In 1940 THE SPIRIT was Eisner's lively Sunday Newspaper Comic Book Supplement,  
themed and sold separately. It was the only comic book to feature each panel of a  
limited, death-defying comic adventure! What made THE SPIRIT great? Smart charac-  
ters, explosive plots and drawings so fantastic that the figures often ran out of a panel  
3-dimensionally at you, or YOU ran INTO the picture! 80 pages (10 great panels) in each set

Wagner, the Wehr-wolf (1846-7) is one of the almost legendary works in the  
history of supernatural fiction, second only to Varney, the Vampire (Dover  
\$10.00, 2-volume set) in Victorian thrillers. Packed full of horrors and thrills as  
Wagner undergoes his wild adventures in 16th-century Italy, it offers a full Gothic  
feast of murders, supernatural happenings, hidden plots and secret passages, Rosi-  
crucians, Turkish invasions and intrigues, conventual imprisonments, banditti,  
desert isles and diabolic appearances as Wagner and his fellows in evil (in-  
cluding the beautiful killer Nisida) work out their fates.SUPERNATURAL HORROR IN LITERATURE

## THE OCTOPUS!

NOW AT THE PRINTER and due for delivery in late November, the pulp that all (or at least most) of pulp fandom has been waiting for to be reprinted. One of the two rarest of all the character pulp magazines - THE OCTOPUS.

When we first began PULP CLASSICS two years ago, we asked for suggestions as to what to reprint. Obviously, we were not able to reprint Doc Savage, The Shadow, Operator # 5, or The Spider

as all were already being done, or had been contracted for publication in paperback. However, they were not the most requested pulps! By more than two to one, the two pulps most fans wanted to see reprinted were THE OCTOPUS and THE SCORPION. PULP CLASSICS # 11 will reprint the famous novel -- "The City Condemned to Hell", the only novel featuring the supreme master of evil, THE OCTOPUS. And PULP CLASSICS # 12 will follow up with the sequel (of sorts) to that novel, featuring the Scorpion.

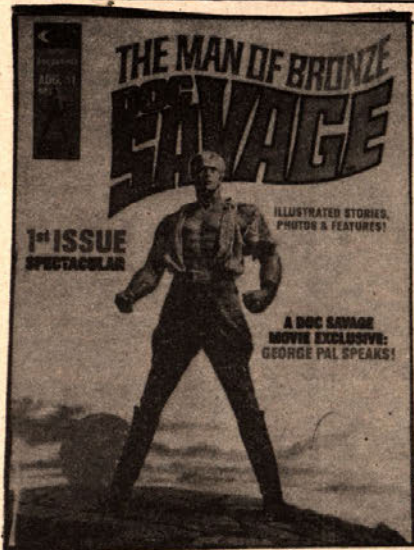

These reprints are fully authorized (and paid for by us) by Popular Publications, Inc. owners of the rights to these novels. They will be published in a strictly limited edition and will not be reprinted. We expect a quick sellout on these so you are advised to order now.

ORDERS are now being taken for PULP CLASSICS # 11 - THE OCTOPUS at \$5 per copy. Copies are sent immediately on publication. The booklet will be uniform with others in our PULP CLASSICS series. Dealer's inquiries are welcome.

PLEASE DO NOT ORDER PULP CLASSICS # 12 at this time. We will be taking orders for that book when it is nearer completion.

THE OCTOPUS is easily one of the rarest pulps in the character field, and copies, when found, go for \$100 and up. Here is a chance to read this wild novel, written by Norvel Page, the author of the Spider, for a fraction of that price.

In THE OCTOPUS Norvell Page, the author writing under the Randolph Craig pen-name let out all stops. The novel reads like a combination of a Horror Story novel and a Spider novel, with all of the action, insane plots, and wild happenings of both combined. A novel that has to be read to be believed. More details in future ads. Order now! Due in late November. A limited printing!

# MANY OUTRAGEOUS THINGS HAVE BEEN SAID ABOUT BARRY SMITH'S ART...

**A** Barry Smith has travelled far beyond the realm of comic book illustration to bring you a new dimension in Fantasy Art. He has created an enigmatic world of haunting beauty, enchantment and awesome wonder—an atmosphere where good and evil intertwine, where reality and imagination become one; timeless, ethereal, unearthly—and he

calls it **THE DEVIL'S LAKE**.

This exceptional work of art is new from Gorbimey Press, Smith's own organization wherein each project is personally supervised from its inception through every stage of quality production, to its final appearance. A number of GBP limited edition reproductions are now out of print, their resale value as high

as ten times their original price.

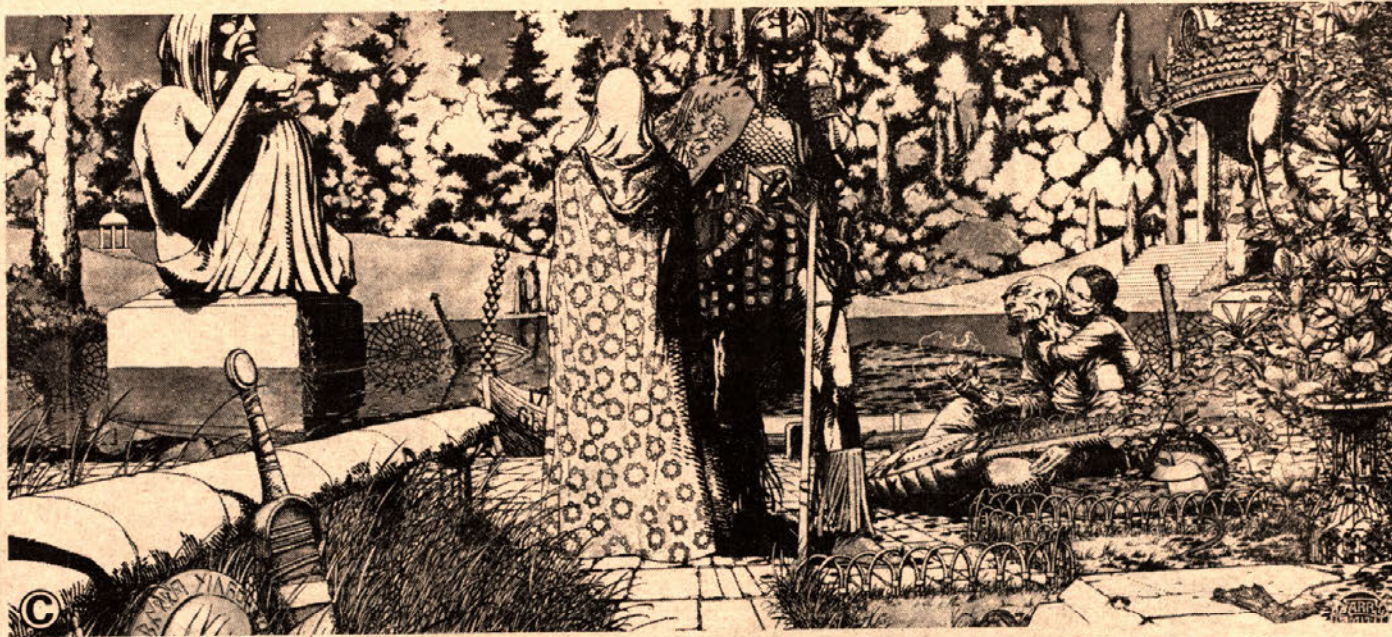

The productions from Gorbimey Press which have been issued as limited editions are personally hand-signed and numbered by Barry Smith in a manner identical to the finest art prints offered in galleries and museums. These are considered the **no plus ultra** among collectors and connoisseurs of Fantasy Art.

Smith's unique and wholly personal style—the imagery, vitality and intensity of expression always inherent in his art—has culminated in the creation of this stunning work, **THE DEVIL'S LAKE**. Superb full-size, full-colour reproductions of the original painting are now available. Each piece is 25" x 25" and printed on fine quality matte finish paper.

An unsigned edition of **THE DEVIL'S LAKE** is available for \$5.00 plus .50 postage and handling, and comes mailed in a protective tube. The deluxe, numbered and signed edition is available for a limited time only at \$12.00 plus \$1.25 postage, and is mailed flat and insured to guarantee it's arrival in pristine mint condition. Low numbers sent first.

# IT WAS ALL UNDERSTATEMENT.

## Whithering Enchantment

Whithering. Barry Smith's finest and most inspired black and white work, combining breathtaking graphic realism with a darkling, demonic supernatural image of a deathhead vision turning slowly—and looking at YOU. A superior achievement in its intricate detail, being subliminal to the impact of the ghost of all memories. Whither... where? This extraordinary reproduction is 15" x 20" in size and clearly captures each minute embellishment perfectly. Whithering is printed on 65 lb. textured cover stock and is available for \$2.50 plus .50 postage and handling.

Tinkling bells, finger symbols and the rush of Deja-vu. Have you lived before? The Enchantment, a fine example of Barry Smith's rare insight into the universal mystery of reincarnation. Unearthly and enigmatic, yet compellingly evocative, Smith's mythic dreamscape conjures up the illusion of dark concealment and unexpected revelation. The Enchantment was published in a limited edition of 1500 prints, each hand-signed and numbered. Lavishly printed in full-colour on 100 lb. Chromecote stock, 13" x 25," available while they last at \$6.50 plus \$1.00 postage.

## Bookmarks Shelf stuff

Tuck a lovely lady into a book tonight! The Moon & Star Bookmarks represent one of Barry Smith's most unusual products. Mat and frame them collectively or use them in your favorite Conan novels. Two different sets of five, each 9" high on coated stock: a beautiful and striking barbarian woman brandishing sword and spear—set off by a red border; a long-haired, near-naked maiden dancing at midnight through Byzantium—surrounded by a rich blue border. Order by colour, \$1.50 per set of five; order both sets and get them all for \$2.50. Include .50 postage.

An exciting new book from Gorbliney Press, Shelf Stuff. Here, for the first time, is a comprehensive collection of more than fifty drawings, sketches and paintings by Barry Smith. Within these pages will be found a fascinating assortment of previously unpublished material, from pencil layouts and figure studies to finished pen and ink drawings and tonal renderings of warriors, slave girls and demons. Twenty-four pages on heavy offset stock including one page of text and an index. Embossed leatherette cover, stamped in gold. \$4.50 plus .50 postage.

## JACK KATZ

The latest issue of Jack Katz's The First Kingdom is part three of a projected 24 volume epic. Already the purveyors of the comic book medium are taking notice of this new era of artistic freedom. It has the imprint of a dedicated professional who conceives, writes and draws a work entirely his own. And Katz has 30 years of experience with every major comic book publisher to back him up. The First Kingdom is his masterwork. Although the story is completely written, it will be ten years until the public sees its finish. Six months of pencilling and inking are necessary to achieve the dynamic complexity and unique continuity of each book. The wealth of characters and plot is further enhanced by a cinematic motif and the discard of the traditional word balloons a la Hal Foster. The First Kingdom is a novel that spans generations. Even now, with the publication of book three, its primary character Tundran, about whom the events of Jack Katz's fantasy revolve, has yet to emerge. These first three books are introductions to his future world. The world of Darkenmoor, builder of the city-state of Gan; and of Nedlaya, his woman, who vies for Darkenmoor's love with Selowan, a Transgod from lofty Helleas Voran. You will meet Dranok, the all powerful ruler of the Transgods; Nadan, who is exiled for his heavenly transgressions; and Adrelar, who is condemned by Dranok to Deuvan Parganna--The Hell of the Gods. All three books must be read to capture the rich flavor of this incredible saga.

Jack Katz is currently living and working in Berkeley, California, where he devotes all his time and talents toward the monumental completion of The First Kingdom.

Comics and Stories #1 and #2 (volume two) marks the long awaited return of Dan O'Neill to the alternative comics field. Says he: "These books should bring everyone up to date with what I've been doing for the last few years". There's been a lot of white water under the proverbial bridge since the publication of Comics and Stories Volume One and the great Air Pirates Meet Mickey Mouse comic book insurgency. O'Neill's been to Ireland and seen the British atrocities. He was at Wounded Knee when the native Americans made it hot for the FBI. And of course the great Disney/Air Pirates trial still rages in the federal courts of San Francisco. It's all here in these two new books, written with the infamous O'Neill wit and drawn as free flowing visual poetry. From the cartoonist who brought you Odd Bodkins and helped make the world unsafe for parody.

Dan O'Neill currently resides in fashionable Oakland, California. His work appears regularly in San Francisco's City magazine, The S.F. Bay Guardian and the CoEvolutionary Quarterly.

CINEFANTASTIQUE  
Vol 4 No 3

His name is Terence Fisher. In the late fifties at England's Hammer Films he directed THE CURSE OF FRANKENSTEIN and HORROR OF DRACULA and began the explicit trend in horror films that has led to THE EXORCIST and JAWS. In Volume 4 Number 3 of CINEFANTASTIQUE Harry Ringel's article Terence Fisher: The Human Side puts Fisher's oeuvre into perspective, a remarkable series of 23 consecutive genre films since 1957, a record unmatched by any other director. In a separate and extensive interview, Terence Fisher: Underlining, the director discusses his long career which David Pirie has called "the most distinguished and consistent in the history of the fantasy cinema."

CINEFANTASTIQUE is the review of horror, fantasy and science fiction films, now in its fifth year of publication. We're probably the world's most luxurious and expensively produced film magazine, a full sized 8.5x11 inch, 48 page glossy publication with 8 full pages of color art and photos evocative of the beauty and the sense of wonder that is the fantasy film's prime attraction. By subscribing today, you'll receive Vol 4 No 3 as your first quarterly issue, one especially devoted to the films of Terence Fisher. The issue also features a full-color article on The Making of CLOSED MONDAYS, the clay animation short which won an Oscar as the best animated short film of 1974. Order your subscription today!

# PITCON 76

The Pittsburgh Comix Club will hold its Third Annual PITCON in conjunction with the Student Union Board of Duquesne University downtown Pittsburgh on Friday and Saturday, April 23 and 24, 1976.

Last year all 45 tables were sold, and numerous letters were received from dealers who had attended, praising all aspects of PITCON '75. This year, at our new location, we will have nearly 100 tables for your convenience.

GUESTS It is a bit early for commitments, however, we have confirmation from the following:

- \* LEN WEIN (Consulting Editor, Writer - Marvel Comics) \* JIM SHOOTER (Legion Writer - DC)
- \* DR. JEROME NEIDERMEIER (Duquesne Science Fiction Professor) \* NEW AMERICAN FILMS \*
- \* JIM IVEY (The Cartoon Museum) \* HOWARD BENDER (Marvel Production Staff Member) \*

Tentatively we have BILL GAINES, ROY THOMAS and a few other professionals lined up.

FILMS New American Films will be one of our guests and will be bring their NIGHT OF THE LIVING DEAD along with their latest release at that time. Also, from Ron Graham's collection, we will have a 1941 (Fleisher) SUPERMAN cartoon, some early 40's MIGHTY MOUSE, DAFFY DUCK and PORKY PIG cartoons, the beautiful POPEYE THE SAILOR MEETS SINBAD THE SAILOR and the 1934 Laurel and Hardy PARADE OF THE WOODEN SOLDIERS, plus much more in the planning.

ART SHOW The Biggest!!!! Many exhibits planned, including Jim Ivey's Cartoon Museum and art from Ron Graham's extensive collection.

ADDED ATTRACTIONS In addition to the usual talks and displays, there will be panels and an all-day RADIO ROOM where you can listen to many of the old classics.

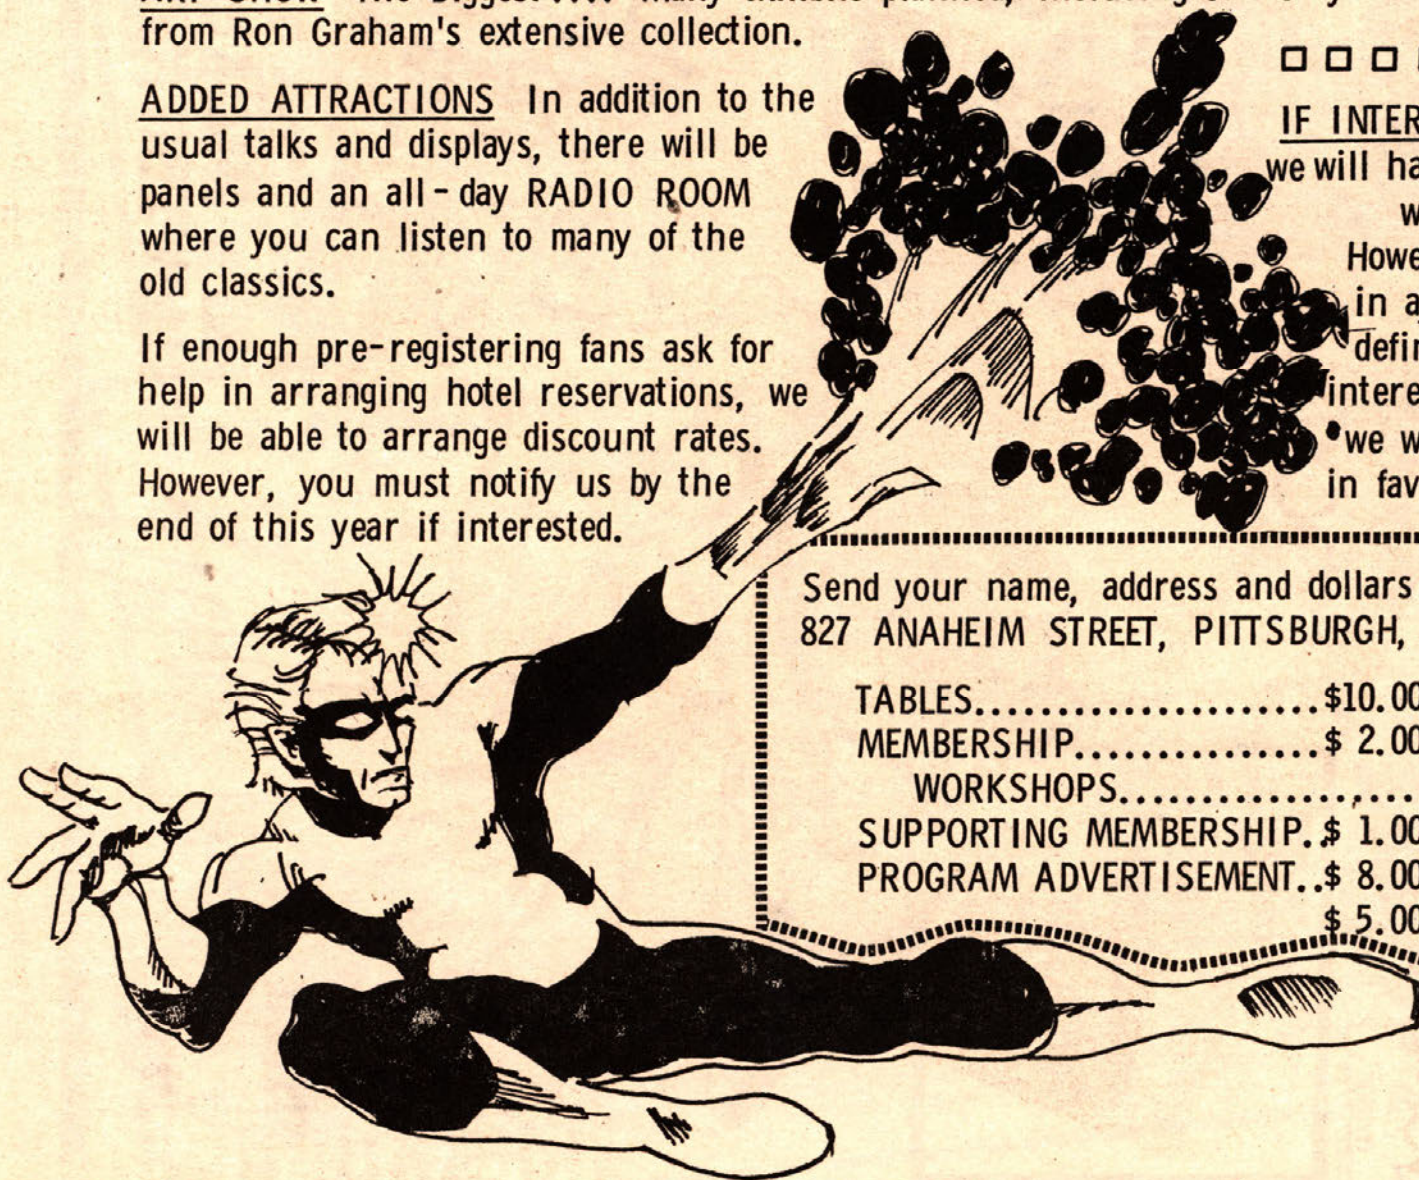

If enough pre-registering fans ask for help in arranging hotel reservations, we will be able to arrange discount rates. However, you must notify us by the end of this year if interested.

□□□□□□□□□□□□□□

IF INTEREST IS GREAT ENOUGH, we will have three (3) workshops with professional guests: However, you MUST register in advance so we can make definite plans. If too little interest is shown, by Oct. 31, we will cancel the workshop in favor of an alternate plan.

## Talented young artists

Report from Shel Dorf:

THE MARVEL TALENT HUNT has uncovered three Artists who show potential. Stan, John Romita and I, hope that they will eventually receive assignments for comic book work. However, due to recent cutbacks in publications, work is scarce. We have a commitment to give assignments to artists currently working at Marvel.

THE MARVEL TALENT HUNT is an experiment. We care about encouraging new talent. There are many "fan artists" who can draw well, but these three in my judgment have what it takes to make professional. They have listened to my criticism, and their work has continued to improve. I am encouraging them to take outside assignments until Marvel is ready to keep them busy.

**Publishers:** These artists are available. Contact them thru me at: Shel Dorf's MTH, P.O. Box 7531, San Diego, CA 92107.

The Talent Hunt for '75 is over. In January I will announce the '76 Talent Hunt thru an ad in TBG. In the meantime I suggest you aspiring Artists draw at least 3 hours each day, studying anatomy, perspective, and composition.

There is an excellent book that can help you sell your work. It's called "ARTIST'S MARKET", (\$8.95 at your local bookstore) or can be purchased by writing to: 9933 Alliance Rd., Cincinnati, Ohio 45242. Nuff Said! Good Luck, **SHEL DORF**

F.I.P. brings you, from the fantastically creative mind of Kenneth Smith,

# DEMONS

The fifth painting will remain a mystery for now.

Kenneth Smith is one of the most talented fantasy artists in America today. He has worked for Warren Publications, Ace and Lancer paperbacks; to secure artistic freedom and quality of reproduction, he moved on to self-publication of his own work in the form of fine-art prints and the renowned graphic-experimental magazine *Phantasmagoria*. Inside Comics called *Phantasmagoria* "the closest thing to a work of art to appear in the fan-zine market. This book is what limited-edition publishing should be all about." RBCC called *Phantasmagoria* "a work of genius." Now, from the same printing facilities and with the same artistic scrutiny that produce *Phantasmagoria*, FIP brings you a color portfolio of 5 of the best paintings that have astounded fans at comic cons from Boston to Houston.

Fantasy Image Productions (FIP) is a new publisher of limited-edition portfolios. FIP is a venture from the same people who funded and organized the highly successful Atlanta Comics & Fantasy Fair in August, 1975. FIP's first presentation, *DEMONS*, is a portfolio of five color plates on the finest glossy coated stock (11"x14"), selected to preserve the brilliance of the original colors. Four of the paintings have been exhibited, to universal acclaim, at fantasy and comics conventions; a fifth, more fantastic than the others, has been specially commissioned by FIP for inclusion in this portfolio--it has never been seen before its publication in this set. Since Dr. Smith does not sell his elaborate originals, these prints are the closest anyone will come to owning one of his alluring works.

*DEMONS* will be limited to a print-run of 2000 sets; this limited run will be divided into a regular edition of 1500 (\$15 each prior to Dec. 1, 1975; \$20, thereafter--dealers' rates available on request) and a special edition of the most perfect prints, signed and numbered 1-500 by the artist (\$20 before Dec. 1, \$25 after). This special edition will be available only from FIP, destined quickly to become a collector's item: each set in the special edition will include a certificate of authenticity, and the first 100 of these special-edition sets will contain also a print of a B&W drawing of a demon.

In the future FIP will bring fandom portfolios from some of the finest talents in graphic story illustration. Watch for our second portfolio of paintings by Kenneth Smith, to be advertised in this periodical. Subscribers will be put on a mailing list to receive further information.

PSSST! HEY, KID!

Wanna' buy a hot magazine? We're up to our butts in **Cerberus** magazines. It's only a dollar, (Plus 25 cents for mailing and handling, which ain't our fault. Blame the US Post Office.) and that's cheap when you consider what you get.

Mainly, good art, good writing, and a money-back guarantee.

Really great stories by Eric Vincent, Neal Fontenot, Ray Weiland, and James Aiken. Tight, solid stuff from beginning to end. (As well as a little gratuitous "T and A".) Also, the mag is offset and mailed flat.

You'll like it, kid. Tell your friends ... all except **that** friend. I realize the policeman's everybody's friend, kid, but you don't understand ...

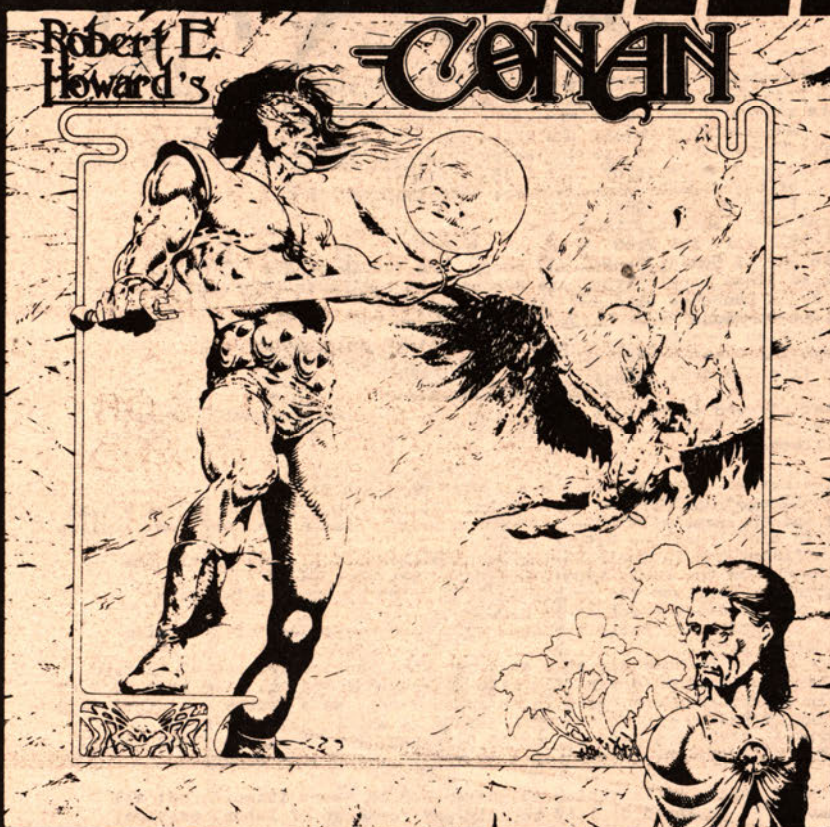

(Send M.O. or check to: Eric Vincent, Box 3849, USL, Lafayette, La. 70501.)

Proudly Presents

Robert E. Howard's

**CONAN**

the Barbarian

**LP RECORD ALBUM**

authorized dramatizations of  
**THE TOWER OF THE ELEPHANT and  
THE FROST GIANT'S DAUGHTER**

In a dramatic and spell-binding stereo premiere, Conan the Barbarian leaps into life before your very ears. Moondance Productions, Inc. proudly presents the first authorized audio dramatizations of Conan in a special and limited collector's edition of 1500 LP record albums. This album is expressly authorized by Mr. Glenn Lord, agent for the late Robert E. Howard's literary estate. The scripts for **THE TOWER OF THE ELEPHANT** and **THE FROST GIANT'S DAUGHTER** were specially adapted from the original R.E. Howard tales by Roy Thomas and Alan B. Glenn Lord has graciously prepared the album's liner notes and Tim Conrad, whose work appeared in the October issue of Marvel's "Savage Sword of Conan", has rendered a hauntingly beautiful color cover. Every pain has been taken to present Conan 'sword in hand, a thief, a reaver, a slayer, with all his gigantic melancholies and gigantic mirth' in the full splendor, drama and glory of the Hyborian Age. All this and more comprise a collector's audio journey into the realms of swords and sorcery.

Limited first pressing of 1500 copies, all albums numbered serially.

Order now to reserve your low number edition.

Superb quality, all records pressed on pure, virgin vinyl.

Scripts by Roy Thomas and Alan B.

Liner notes by Glenn Lord

Color cover art by Tim Conrad

## If you're the average comix fan, you might not like it.

**The Elfland Chronicles** is not a very 'average' magazine. It's in a whole separate category from most fanzines: No convention reports. No advertising. No tributes to *Star Trek* or the Marx Brothers.

As good as all that may be, it's not the **CHRONICLES'** business.

**The Chronicles is art.**

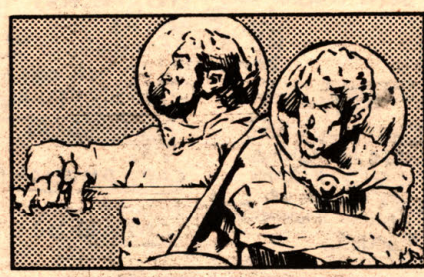

The first issue features two finely illustrated fantasy/sf strips, comprising over half the issue. If you just like to look at the pictures, you'll still get more than your money's worth (the illustrations in this ad are a small sample of the beautiful first-run art in **THE ELFLAND CHRONICLES**).

The cover is printed on coated stock by a unique duotone process; we think it squeezes more effect out of two colours than most magazines will get out of four.

**And the Chronicles is opinion.**

The articles may challenge your point of view. Embellished with panels by Neal Adams and others, these thoughtful, opinionated articles probe deeply into the nature of fantasy, sf, and the comic book artform. Subjects covered include: Saint Silver Surfer and Son-o'-God; J.R.R. Tolkien and comics; the hyper-space jabberwock; what Adams and O'Neil meant by Isaac; and a good deal more.

Frankly, we think the **CHRONICLES** is a fantastic magazine, and quite unique in its

field. But if you don't want to take our word for it, then look at this:

Dear Jim,  
Thanks for the copy of **ELFLAND**—Beautiful printing, fine production, and very interesting artwork!!  
Keep it coming. The world of comics needs more of this kind of thrust—  
Cordially,  
  
Will Eisner

This praise from the creator of *The Spirit* typifies the reaction we've received on the **CHRONICLES** No. 1.

Now even though the **CHRONICLES** uses typeset text, colour, and quality offset printing, the price of the first issue has been kept way down—only 50 cents plus 25 cents postage and handling.

**But before you make out your order, there's something else you ought to know:**

The **CHRONICLES'** sister magazine, **ART & STORY**, is slated to debut sometime in October. **ART & STORY** is much like the **CHRONICLES** in its dedication to excellent art and quality production, but with a greatly expanded format. A spectacular 27-page science-fantasy strip by James Denney (who did the strips for the **CHRONICLES**) kicks off the first 48-page issue, and you won't want to miss the other fantastic art and features.

The price of **ART & STORY** No. 1 is only \$2 postpaid, but you can **save \$1.75 and subscribe**: just check the first box on the coupon below and we'll send you **THE ELFLAND CHRONICLES** No. 1 and the first 3 issues of **ART & STORY** for only \$5.

Send cash, check, or money order (payable to *Art & Story*); no stamps please. You may use the coupon, or simply write to:

# WHO'S KIDDING WHO?

We've all seen the ads that say "BUYING" then offer to pay 12¢ per comic and you're lucky if you have enough money after paying postage to buy a coke at the corner drugstore. I'm a collector, not a dealer, so I can't absorb 20 copies of one comic. I've listed my wants (in vg or better) and the prices I'll pay. I ask you to let me know what you have (don't send the comics) and if I still need them I'll reply and include 50¢ to help with postage. I'll send payment the same day I receive the comics.

## WORLD'S UGLIEST MAN CONTEST

30 Sep 1975  
About 100 entries so far. Judging will be done by OCTOBER 15th, and everyone who entered should hear from me by Nov. 15th. At least ten entries by teenagers were as good as, or better than, many professional cartoonists who entered. So, I'm gonna give away original art to the top 10 entries instead of the top 3. All art will be returned if you sent postage. The quality of it deserves a fanzine of its own, so if money comes in everyone who entered will get a copy of this fanzine. Some really beautiful stuff, from age 5 to age 63; mebbe older, many didn't give their age. TNJ did not publicize it at all so TBG only will publishe the winners.

TERMS: We all knew I'd have to get around to this eventually, so here goes. Checks are OK, if you don't mind a delay. I would much prefer a money order, however. No cash will be accepted. If you want a confirmation or a return of your refund, please enclose a stamped-self-addressed envelope. If the material you order has been sold, and you would like me to keep your money anyway, do not enclose a saae. Honest-to-God, I'll keep the money, if you want me to. JAMES R. Yes, indeed, friends, your choice of a free goodie with your order! I'm giving away, with every order, either a free comic from the list or a surprise freebie! You choose which. Of course, I can't tell about the surprise, that'd spoil it. And, if by some chance, I run out of free comics, I'll still send the surprise with every order. Oh yes, I almost forgot, the free comics are my choice, I can't let you have too much fun, can I?

2.) We carry any newstand magazine, so order what ever you wish.

3.) Try to give us lead time on the issue number you are ordering (the Comic Reader is a good source). If you do not specify otherwise, we will send the next available numerical issue.

5.) We ship subscriptions once a month, usually right at the end of the month. We take great care in attempting to foil the insidious plot of the Postal Service. As any collector knows, there is a directive in every Post Office ordering all workers to destroy any package which looks like it contains comics. We put our comics in plastic, protect them with cardboard and so forth but it doesn't always work. We will ship by U. P. S. but to do so, we must have your street address. For some reason the Postal Service won't let U. P. S. deliver to your Post Office box.

The following pulps have some really great stories by Edgar Rice Burroughs. Most of the issues are in good condition. Some of the covers are a little rough or slightly warped, but for the most part, the insides are V6 or better. I've tried to price these pulps low so even if the pulps aren't in excellent condition, you're still going to be getting a good deal. I'm anxious to sell and there are some real goodies here.
